

LITTLE WONDER®

C5 WHEELED BLOWER

Compact, Nimble and Powerful!

The Little Wonder® C5 blower features the patent-pending Aim Rite™ nozzle that can be easily adjusted to blow air in any desired direction: downward to dislodge heavy,

A fully adjustable, forward folding handle makes for easy storage between use.

wet leaves, horizontal for wider coverage, and forward to clean areas close to walls and curbs. Powered by a durable 170cc Subaru® engine and a large 16" fan, it produces more air and covers more ground than backpack blowers. And without the back strain. Large, flat-free front and back wheels provide great stability over rolling terrain and slopes. A thickly padded and adjustable handle gives the operator a comfortable grip. When the work is done, the handle folds entirely forward so that the unit can be stored out of the way until next time. The Little Wonder C5 blower is backed by a 2-year residential warranty and a 3-year warranty on the engine.

More powerful and efficient than backpack blowers!
