

Riding Greens Mowers

GREENS KING[®] IV/IV Plus

The Greens King[®] IV is our least expensive and lightest weight riding greens mower. The GK IV offers reduced maintenance and fewer potential leak points.

The Greens King IV Plus, available in both Gas and Diesel models, adds to the great features of the Greens King IV with power steering for easier operation and a higher horsepower engine to tackle the toughest jobs. Quality, reliability and simplicity are what make the Greens King IV and IV Plus some of our best selling ride-on greens mowers. Their simple design is easy to maintain and Jacobsen reels provide a superior quality of cut every time.

Factory-filled with GreensCare[™]
Biodegradable Hydraulic Fluid

- **Greens King IV:** Manual Steering; Greens King IV Plus: Power Steering
- **Attachments include** vertical mowers, spikers, brushes, greens rollers and Turf Groomers[®]
- **Walk-through operator station** allows access from either side
- **On-board backlapping**
- **Free-floating, steerable cutting heads** move independently of the tractor
- **GreensCare[™] biodegradable oil** eliminates the risk of long-term turf problems and environmental contamination
