HoverKing™

Specialty Mowers

Lightest on the Market

- At just 26 lbs. or 36.5 lbs., the HoverKing is easy for operators to use and provides less fatigue.

Advanced Design

- Lightweight yet extremely durable, the HoverKing with a 2 year warranty, features integrated handle engine mounts that stand up to the rigors of daily use.
- Ergonomically-designed and padded handle provides operator comfort all day long.
- Only mower available with two handle mount positions for enhanced performance in varying conditions.
- Built-in handle for easy lifting and storage.

Highest Height-of-Cut in the Industry

- HoverKing offers a height-of-cut of 3.0", giving you flexibility in your mowing routine.

The HoverKing's engine mounts are integrated into the mower's deck, making them extremely durable.

CUTTING SYSTEMS

Three Cutting System Options

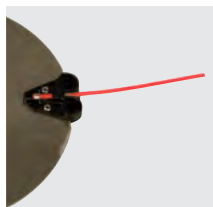

- HoverKing available with metal blades, metal edge nylon blades or nylon string.

Metal Blade

Metal Edge Nylon Blade

Nylon String

ACCESSORIES

- Wheel kit features tool-less installation and removal for easy, everyday use
- Handle extension

The HoverKing's light weight and ergonomic design make it easy to maneuver, even on steep inclines.
