

PGM 22TM

Walking Greens Mowers

You can depend on the lightest walking greens mower available to limit disruption to your turf in tough conditions. A durable gear and chain drive keeps the PGM 22TM by Jacobsen[®] mowing with little maintenance required.

- **InCommandTM Control System** - Features user-friendly D-handle with variable speed control and more functional operator presence controls.
- **Precision Balanced** - Precisely balanced for true, straight-line tracking.
- **Optional Turf Groomer[®]** - Improves turf conditions through three-dimensional mowing.
- **Durable Centrifugal Clutch** - Engages easily for smooth operation with no adjustments required.
