

HEAVY-DUTY SOD CUTTER

The **First** Name in Turf Renovation™

If you need a ride-on machine that can cut and roll up to three acres (1.2 hectare) of sod a day, the Heavy-Duty Sod Cutter is exactly what you need. Large enough to get big jobs done and small enough to be portable, this cost-effective, attachment-ready unit is perfect for large jobs like sports fields or small size sod farms that don't have enough room for a harvester.

This 11-HP sod cutter is a heavy-duty, fully commercial unit that takes sod cutting to the next level.
