

# LAWNNAIRE® 28 AERATOR

The **First Name** in Turf Renovation™

Our Lawnnaire® 28 is the gold standard of walk-behind aerators, combining the technology and precision of golf course aeration with the demands of commercial lawn care maintenance. Its vertical coring action and up to 12 holes per square foot lets you cover in a single pass what it takes others two passes to accomplish.

Thanks to a unique caster design on the front wheel, the unit has a zero-turn capability, providing unmatched maneuverability and productivity.

**Aerate in One Pass  
vs. Two for Other  
Styles**

**EASY TO TURN WHILE  
AERATING**

## PRODUCTIVITY

# LAWNNAIRE® 28 AERATOR

The First Name in Turf Renovation™

## Easy to Turn While Aerating

Rear drive differential and front swivel caster wheel create zero-turn maneuverability

## Self-Propelled

Isolated handlebars with easy-to-use controls ensure operator comfort

## Productivity

With up to 12 tines per square foot you can easily do most jobs in a single pass!

## SPECIFICATIONS

HONDA® #544887

ENGINE	GX200 4-cycle
ENGINE OIL CAPACITY AND TYPE	0.60 L (0.63 U.S. qt., 0.53 Imp. qt.); 10W-30
CLUTCH	Belt tightener
DRIVE	Wheel – A-section V-belt, #40 nickel-plated roller chain Tines – B-section V-belt, #50 nickel-plated roller chain
TINE ARMS	4 arms; 2 tines per arm
TINES	Hollow, tapered, austempered steel; 3/4 in. (19 mm) diameter tines
AERATING WIDTH	28 in. (711 mm)
CORING DEPTH	2.5 in. (64 mm)
CORING DIAMETER	0.75 in. (19 mm)
AERATION PATTERN	3.5 in. (89 mm) x 5 in. (127 mm)
HOLES PER SQ. FOOT (SINGLE PASS)	Up to 12/sq. ft. (129/m <sup>2</sup> )
PRODUCTIVITY	Aerates up to 24,000 sq. ft./hr. (2230 m <sup>2</sup> /hr)
TRANSPORT	2.1 mph (3.3 km/hr.)
TIRES	(2) Rear – 10.4 x 4.10/3.50-4, 4-ply; (1) Front – 8.7 x 2.80/2.50-4, 4-ply
BRAKES	Automatic parking brake
HANDLES	Rubber grip isolated handlebars
WEIGHT	404 lbs. (183 kg)
DIMENSIONS	Width – 34 in. (864 mm) Length – 57 in. (1448 mm) Height – 48 in. (1219 mm)
WARRANTY	2 year commercial (engine warranted separately from manufacturer)

## EXTRA TINES INCLUDED!

Unit ships with a set of replacement tines to minimize downtime
