

LAWNNAIRE® TOW 36 AERATOR

The **First Name** in Turf Renovation™

This 36-inch Tow-Behind Lawnaire® is ideal for medium-size turf areas from 1–5 acres. The Lawnaire offers a choice of either manual, hydraulic or electric lift, or ZT hitch. Choose from optional coring, slicing or open-spoon tines to match varying aerification needs.

Impressive aerating width of 36 inches, depth of up to 4 inches with 48 tines total (eight per wheel) make this tow-behind stand out among its competitors. This unit also supports double tining.

Clevis and Pin-type Hitch System Fits Most Lawn Tractors
