PRECAUTIONARY STATEMENTS

Before using this product, read the entire label, including conditions of sale.
When mixing or applying, wear appropriate personal protective equipment including splash goggles or face shield and impervious gloves.
May cause irritation to skin and eyes. Ingestion of large amounts may cause mucosal irritation, dizziness, nausea and possible vomiting.

STATEMENT OF PRACTICAL TREATMENT

- If Swallowed:** Give large amounts of water to drink. Do not induce vomiting. Seek medical attention immediately.
- If Inhaled:** If vapors or mist cause irritation, remove subject to fresh air.
- If In Eyes:** Flush with water for 15 minutes. Seek medical attention.
- If On Skin:** Remove contaminated clothing. Wash contacted skin with plenty of soap and water. If irritation persists, consult a physician.

GENERAL INFORMATION

DUPLEX is a conditioner that sequesters hard water ions and reduces the surface tension of water.

DIRECTIONS FOR USE

DUPLEX can be added to water in conventional spray equipment or injected into irrigation systems. Use rates and application interval vary depending upon water hardness and quality.

Dilution Rate: add 0.75 L of Duplex to 200 L (48 ounces per 100 gallons) of water. Adjust rate, up or down, in 118 ml (4 ounces) increments until the desired water quality is achieved.

STORAGE AND DISPOSAL

Protect product from freezing. If product freezes, warm to room temperature before use. Store in original container only and do not reuse empty container. Rinse container thoroughly, disposing of rinsate and the container in accordance with federal, state and local regulations.

CONDITIONS OF SALE: Read the information contained herein before buying or using this product. If the stated terms are unacceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated hereon and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the Company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product shall be the purchase price paid by the user or buyer for the product involved.
