

## GRG 6-0-0

GRG 6-0-0 is a premium fertilizer, specially formulated for use on lawns and professional turf.

Designed for use when a growth response is desired, to guard against environmental stressors, GRG 6-0-0 is ideal for use during the mid-summer and beyond. With a 6-0-0 analysis, GRG 6-0-0 delivers a moderate amount of nitrogen that helps maintain turf, without inciting extreme growth during summer's stressed environmental conditions.

- **Non-Burning\***- Will not burn turf.\*
- **Strengthens and Protects**- Helps grass withstand environmental stressors.
- **Enhances Growth**- Enhances and improves turf grass response and growth.
- **Nitrogen Balance**- An essential part of a complete and balanced nitrogen program.

**GRG 6-0-0** is formulated for use on lawns and professional turf.

\*When Used as Directed.

## GRG 6-0-0

### For Turf that Withstands Environmental Stress.

**Application:**

For optimal results, apply two applications of GRG 6-0-0, 30 days apart beginning in mid-summer. Be sure to use sufficient water for proper distribution into the turf root zone.

Please read and follow the directions for use, as listed on the product label.
