

GRG 5-0-0

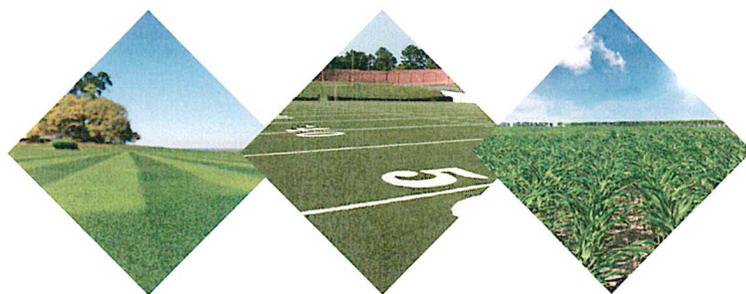

GRG 5-0-0 promotes an improved turf response, during stressful environmental conditions, without impacting established nitrogen programs. GRG 5-0-0 boasts a special formulation that mixes easily with other lawn inputs. With a moderate amount of nitrogen, GRG 5-0-0 allows turf to maintain a green, healthy appearance, while enabling lawn care professionals to make just one pass on the day of application.

- **Non-Burning***- Will not burn turf.*
- **Boosts Plant Color and Absorption**- Improves foliar absorption resulting in better plant colour amid stressful environmental conditions.
- **Versatile**- Offers application flexibility with various, common turf care inputs.
- **Delivers a Balanced Amount of Nitrogen**- Provides a moderate supply of nitrogen.

GRG 5-0-0 is designed for use on lawns and professional turf.

*When Used as Directed.

GRG 5-0-0™

FOR PROFESSIONAL USE ONLY

GRG 5-0-0 is a specialty fertilizer formulated for use on lawns or professional turf. Use when a positive greening response is desired – without overloading nitrogen in an established granular fertility program.

POUR USAGE PROFESSIONNEL SEULEMENT

GRG 5-0-0 est un fertilisant formulé spécialement pour les pelouses et les gazons professionnels. Utilisez lorsqu'un verdissement visible est souhaité – sans susciter de surcharge en azote dans un programme de fertilisation granulaire établi.

STORAGE AND HANDLING:

Store at room temperature, out of direct sunlight and not accessible to children or pets.

ALWAYS SHAKE, STIR OR AGITATE BEFORE USE:

Always add this product last to a spray tank containing the required amount of water for the treatment area.

DIRECTIONS FOR USE:

Apply 223 mL of GRG 5-0-0 per 100m² of turf. Make applications when turf is actively growing. When tank-mixing with other lawn care inputs, ensure the tank mix partner is fully in solution, and then add GRG 5-0-0 to the tank last. Make subsequent applications with a minimum of 3 weeks between applications, making no more than 4 applications per season.

ENTREPOSAGE ET MANUTENTION:

Conserver à la température ambiante, à l'abri du soleil direct et hors de portée des enfants et des animaux.

TOUJOURS SECOUER, AGITER OU MÉLANGER AVANT L'UTILISATION:

Toujours ajouter ce produit en dernier dans un mélange en cuve contenant la quantité d'eau requise pour la surface à traiter.

MODE D'EMPLOI:

Appliquer 223 mL GRG 5-0-0 sur 100 m² de gazon. Faire les applications lorsque le gazon est en croissance active. Lorsque ce produit est mélangé à d'autres produits pour l'entretien du gazon, s'assurer que les autres produits soient entièrement dissous, puis ajouter GRG 5-0-0 en dernier dans la cuve. Effectuer les applications subséquentes en respectant un intervalle d'au moins 3 semaines entre les traitements, sans dépasser 4 applications par saison.
