

ARTIFICIAL TURF

VERTI-SPRAY

The Redexim Trailed Sprayer is an excellent tool for any turf spray application. Easily coupled to most any tow vehicle, the 12 volt sprayer quickly disperses up to 65 gallons of Redexim ATD (artificial turf disinfectant) and other liquids such as static reducing mixes, or plain water to cool the playing surface.

VERTI-SPRAY

Quality construction features a steel tubular frame, chemical resistant poly tank, 4-ply turf tires and a high capacity 5.3 GPM on-demand pump at up to 60 PSI. Standard features include a trigger spray gun with 15' hose. Optional rear twin boom-less nozzles cover up to a 20' swath in low drift conditions or choose the precision 5-nozzle boom which covers up to an 18' swath with single lever control.

Great for spraying Redexim ATD Artificial Turf Disinfectant
